

the HILL STOMPERS

a new community marching band
is in search of fun people who play
marching band instruments.

Have an instrument that you haven't played in years?

Dust it off!

Think you don't play well enough?

Join us anyway! All skill levels are welcome!

If "marching" scares you, don't worry!

We use the term very loosely and mostly just walk.

Perhaps you have seen us performing around town

in the Holiday Lights Parade, at the Little Theatre,

or in one of the local bars.

For more information about this
opportunity to have fun and play music,
call Jeff Favorite at 661-7646.
